Options Online

1. Go to the options website

Open your web browser (Google Chrome is recommended) and go to sims-options.co.uk

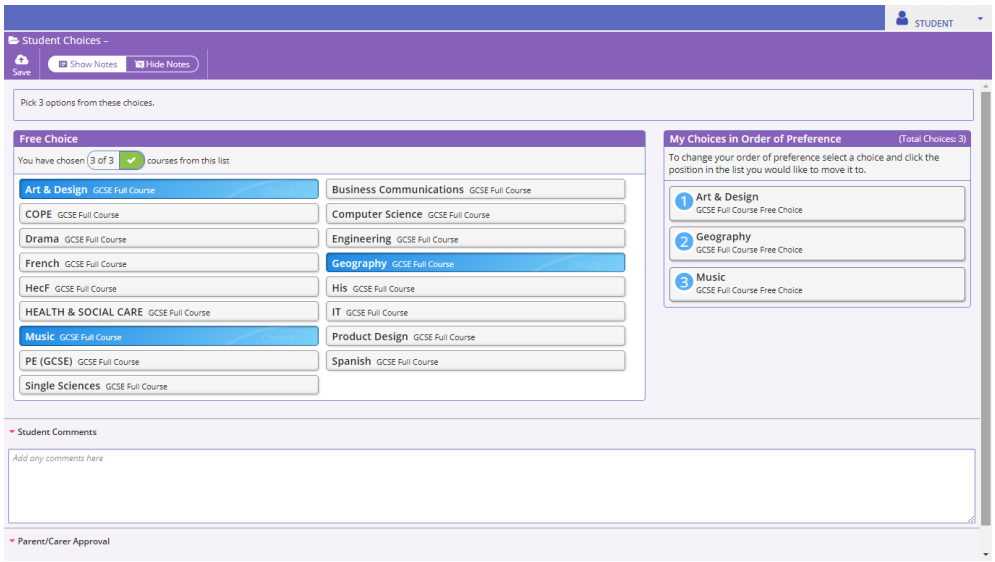

2. Log in

On the login page select 'Sign in with Office 365'. Then sign in with your school email and password. Your email will be in this format - firstname.surname@argoedhs.co.uk and your normal school password.

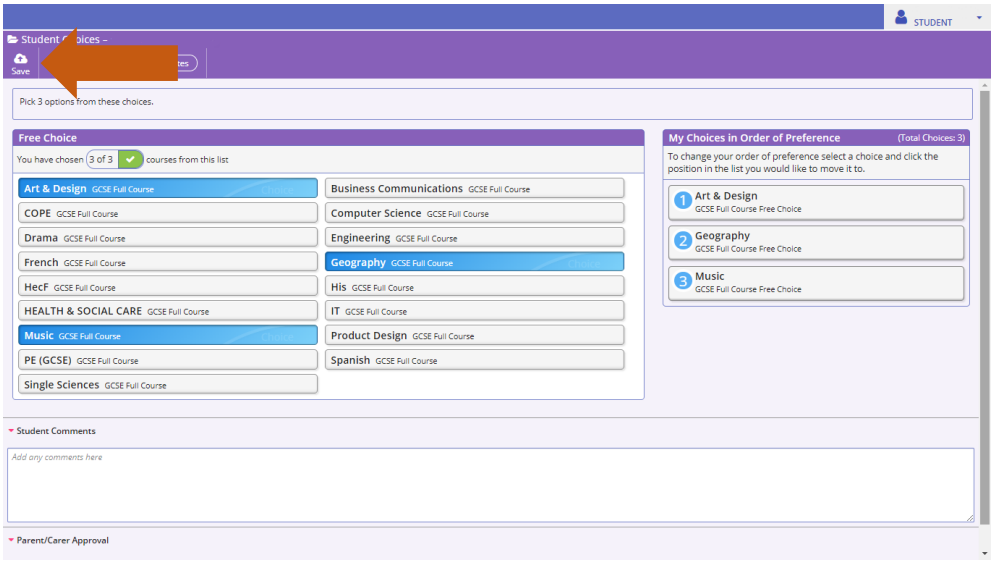

3. Select your options

On the page that appears (it may take a few seconds to load), you will get a box called Free Choice. Within this box you will need to select 3 options, when you select an option it will be highlighted in blue. Your choices will also appear in the box on the right, you don't need to worry about the order of preference.

4. Save

When you've chosen your 3 options click the 'Save' button in the top left corner of the webpage. Once the green banner appears saying 'Choices have been saved' you can log out and close the browser.

If you encounter any technical difficulties please email itdepartment@argoedhs.co.uk for technical support.
